#### **The Journey**

We have two choices as we face the journey of life. We can choose to make the journey walking in the realized presence of God, or we can choose to shut God out of our lives and try to make it on our own.

##### **1. God Shows Us The Right Way**

The presence of the Lord gives direction.

##### **2. God Grants Us Divine Protection**

As we travel on life's journey, we are faced with an unseen army of deadly enemies who are sworn to our destruction.

##### **3. God Gives Us Strength**

So many times the road is long and tough. Sometimes it leads through desert places where no water is. Sometimes over high mountains and sometimes through valleys low. BUT God gives us supernatural strength. He never deserts His soldiers in the battle.
